Opportunities

VIU’s MBA Internship Program offers businesses, both large and small, and non-profit organizations a fantastic opportunity to work with tomorrow’s business leaders, today. Our MBA interns demonstrate professional excellence and self-leadership that allows them to accomplish goals customized to the needs of your business in areas such as:

- Human Resources
- Marketing
- Finance
- Research and Development
- Strategy Development
- Business Planning

Benefits

Vancouver Island University’s MBA Internship Program provides an effective and efficient strategy for accessing a highly skilled talent pool. An internship will provide your organization with the opportunity for an extended job interview with highly motivated future business leaders, allowing you to make well informed decisions about a potential hire. VIU MBA interns combine new knowledge and practical experience, providing you with the opportunity to access relevant learning with a global perspective.

“Having a VIU MBA intern in our office has been an enormous help . . . Our intern worked in our business to lighten the work load and improve our internal systems. It was great to have a fresh set of ideas and someone to execute those ideas that all business owners have but are too busy to implement.”

Andre Sullivan, B.BA
Investment Advisor
Integral Wealth Securities Limited

“It was quite an experience to work with such motivated and amazingly intelligent people. The MBA interns at VIU have the tools and skills to pick up the business right away. What we’re looking for is future leaders and these are people who are career driven, eager to learn and have the right attitude.”

Support

MBA Internship Coordinators are available to assist you with providing direction, support and feedback to the intern. The project and the intern will also be guided by a member of the Business Faculty with expertise in the area of the project. This support allows your intern to adapt, thrive and work to their full capacity for your business.
