

This is a four day course designed for people who want to learn about kayak surfing and improve their kayaking surfing ability. We bring a selection of different white water and surf kayaks for this course. Depending on personal interest, students will have the opportunity to try all the different gear type if they wish. Over the course of four days we will have the opportunity to surf every day, and will discuss and cover other topics that relate to surfing, these include:

- Surf forecasting, weather radios, internet use for swell and surf forecasting
- Kayak surfing equipment overview
- Transportation and trailer use
- Basic and advanced surfing techniques
- Leadership and group control on the water
- Surfing locations, and site selection
- Surfing hazards and how to keep your self safe while surfing
- How to conduct basic surf rescues with only personal surfing equipment

The West Coast Surf Course starts every morning at 7:30 am and will finish at around 5:00pm, with some evening lectures. We stay at the Surf Junction Campground www.surfjunction.com just outside of Ucluelet. This facility has a sauna, showers, and hot tub, and is perfect for après surf relaxation. This course is fun and the emphasis is place on improving kayak surfing skills, and increasing ones knowledge of the sport of surfing. No experience is required and all equipment will be supplied.
