

The following bibliography reflects my most current research interest. I'm working on a series of articles on young adult novels that engage with some of the different theoretical issues circulating through Gay and Lesbian Studies and Queer Theory. The first article has been published in the *Children's Literature Association Quarterly* (31.3 Fall 2006) and is entitled "Prussic Acid with a Twist: *The Well of Loneliness*, M.E. Kerr, and Young Adult Readers" (available online at http://muse.jhu.edu/journals/childrens_literature_association_quarterly/toc/c_hq31.3.html)

If you would like to discuss this project with me, please email me at dawn.thompsnd@viu.ca.
