Dear Mr. Lucas:

Re: Operation of a compost facility under the Organic Matter Recycling Regulation – Unit #1  
at Block 463, Dunsmuir Land District (Weigles Road), Nanaimo BC

---

I have enclosed the results of our February 17, 2004 inspection and compliance review of the subject compost facility which operates under the provisions of the Organic Matter Recycling Regulation. Thank you for accompanying us on our inspection of this facility.

We have reviewed the information that you have provided, the results of our site inspection and the monitoring data, and conclude that you are operating in compliance with the Organic Matter Recycling Regulation. Your diligence in complying with the regulation is appreciated.

I have enclosed the results of our audit and sampling of the compost. If you wish to discuss this information please contact John Collison-Baker at 250 751-7351.

Yours truly,

Duncan A. McLaren, ASCT  
Environmental Protection Officer  
Environmental Management Section
