

## High School for Canadian and International Students

[viu.ca/highschool](http://viu.ca/highschool)

Established in 1996, Malaspina High School (MHS) is a part of Vancouver Island University's leading International Education program. Canadian and International students have the opportunity to explore, discover and excel in Grade 10, 11 and 12 of the British Columbia Graduation program. We are dedicated to preparing students from around the world for entry into Vancouver Island University and other North American universities.

The high school:

- offers direct admission to programs at Vancouver Island University
- has four entry dates: September, November, February and April
- is certified by the government of British Columbia
- averages fewer than 15 students per class
- features a focused learning environment
- is safe, friendly and supportive

## High School

### Admission Requirements

- Students must have completed Grade 9 (or equivalent).
- Admission is selective and based on previous academic record.
- Entrance scholarships are available for qualified Canadian students.

*Malaspina High School reserves the right to accept or reject any applicant.*

## High School Programs

### British Columbia Graduation Program

The British Columbia Certificate of Graduation or Dogwood Diploma is awarded upon successful completion of 80 provincial ministry approved credits. Students begin with an individual graduation plan that guides their path to university.

### Adult Graduation

Students who turn 19 while studying at Malaspina High School can be eligible for the British Columbia Adult Dogwood Diploma. Requirements include completion of 20 ministry approved credits, which must include English 12 or Communications 12 and Mathematics 11 or 12.

### University Preparation Year

An integrated program designed to help students upgrade essential skills and acquire prerequisites for university entrance. Students can gain confidence and transition to first year university courses at Vancouver Island University while under the care and attention of our high school. There is no better way to prepare for university!

### Gap Year

Students can improve their English, benefit from guidance and direction, and discover Vancouver Island University. A great program to help students make positive choices!

### Summer Camp (July-August)

Students, age 13 to 18, can experience Canadian culture in 2-week to 6-week programs from July to mid August at our Nanaimo campus. It's a great opportunity for students to improve their English skills, make new friends and have fun.

### Winter Camp (January-February)

Similar to our Summer Camp but with winter activities in January and February.

### Custom Programs

We can design a program to meet the needs of your group any time of the year.

## Pathways to Learning

### University Entrance Guaranteed Admission to VIU

### Assessment, Placement and Academic Preparation

Students are assessed and placed in the appropriate level of English and math upon arrival.

Individualized math upgrading and preparation as well as English foundation and preparation courses are available to meet individual needs.

Completion of the Academic Preparation program provides students with the confidence and the essential English and math skills to succeed in the British Columbia Graduation program.

### Active Learning and Leadership

Malaspina High School students learn inside and outside the classroom, gaining practical, real-world experiences. Leadership activities involve students in community leadership opportunities, expose them to various cultural experiences and help them to develop problem-solving and project management skills.
