

## Changing the Theme

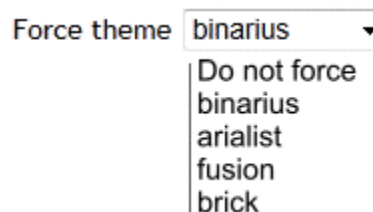

The theme you choose for your course will determine the colours, fonts, type and placement of the blocks and so on. There are a limited number of themes available; however, a VIU specific colour theme is soon to emerge. That theme will focus on the blue hues used in VIU's logo.

Follow these steps to change the theme:

1. Ensure that you are in the editing mode by clicking on the "Turn editing on" button on the top right-hand side of the page
2. Click on **Settings>Edit Settings**

3. Scroll down the page to **Force theme** and make a selection by clicking on the theme name:

4. Scroll down the page and click on **Save and Return to Course**. The theme will be applied immediately.
