

## **Vancouver Island University International Education Policy**

TITLE:

INTERNATIONAL PRACTICUM, FACULTY SUPPORT

POLICY:

When a department has a group of six (6) or more students who will complete a practicum placement in an overseas country, and it is deemed necessary to have a Malaspina University-College faculty member oversee a portion of that practicum, International Education will provide financial assistance up to \$3,800 to assist the department with the cost of faculty member travel and accommodation.

A department may be supported for only one (1) international practicum per academic year.

Travel arrangements and ticketing may be arranged through the International Education.
