

I am applying for Prior Learning Assessment for the following course (please check one only):

Environmental Monitoring

- Environmental Monitoring for Construction Projects - NREN 001 \$300.00
- Environmental Field Techniques for Construction Projects - NREN 002 \$300.00
- Rod & Level Surveying - NREN 032 \$300.00
- Stream Measurements - NREN 041 \$300.00

Erosion and Sediment

- Erosion and Sediment Control - NRES 002 \$300.00
- Application of ESC Best Management Practices - NRES 003 \$300.00
- Soil Bioengineering - NRES 006 \$300.00

Fisheries

- Fish Identification - NRFS 002 \$200.00
- Fisheries Field Techniques – NRFS 009 \$100.00
- Inventory and Capture Methods - NRFS 003 \$300.00
- Fisheries Mapping Procedures NRFS 008 \$ 100.00
- Habitat Assessment Methods - NRFS 004 \$300.00
- Stream Crossing Assessment – NRFS 006 \$200.00
- Fish Habitat Restoration - NRFS 005 \$300.00
- Salmonid Biology – NRFS 012 \$200.00

Aquatic

- Freshwater Sampling - NRWQ 001 \$200.00
- Water Quality – Program Design - NRWQ 002 \$200.00
- Water Quality Sampling & Design - NRWQ 003 \$300.00

Please submit this form with your supporting documentation and PLA fees. We will contact you via e-mail with further instructions for completing the PLAR process.

Please complete this form (one per course challenge) and mail with the applicable PLA fees to:

Darren Hebert, Coordinator
Natural Resources Extension Program (NREP)
Bldg 380, Room 112
