### VIKING Colour TV Consoles

Viking Colour TV consoles are in a class by themselves boasting many advanced features including "rare earth" coated picture tubes for better, brighter, more "colourful" pictures. An indicator light tells when colour transmissions are in progress should you be tuned for black-and-white. Whatever your choice: console, lowboy or portable; in Spanish, Italian or French Provincial, or Modern; in hand-rubbed veneers or distinctive finishes . . . there is a dependable Viking TV to suit your needs!
