GLAMOUR PHOTOGRAPHY

Let us create your
perfect portrait
collection

Your Makeover Session

At participating cosmetic counters, a consultant will teach you the art of makeup application, enhancing the natural beauty in you. Also, a hairstylist will apply finishing touches to your new look by styling your hair in preparation for your photography session.

Your Photography Session

After selecting your wardrobe, a professional photographer will guide you through an exciting photo session. Your new image will be captured on film forever, leaving you with a beautiful collection of portraits for friends and family.

Included in your session fee of \$19.95:
•Makeover •Hairstyle •Photography Session
