Bachelor of Education--Post Baccalaureate Degree (full-time)

11/2-year Post-Degree Program (3 full-time semesters)

Fee Category: V

This Teacher Education program is designed for university graduates who have earned an appropriate discipline-based under-graduate degree and who wish to become teachers. This is a 11/2-year (compressed 2 year program in 3 semesters) post-degree, 60 credit professional undergraduate degree that can only be earned as a second degree. Normally the course work and field experience is compressed into three full-time semesters. The VIU Teacher Education Degree program provides course work and field experiences designed to prepare graduates to be well-qualified beginning teachers. Certification by the British Columbia College of Teachers is required for employment in the B.C. public school system. Upon successful completion of the requirements for the Bachelor of Education degrees, candidates are recommended to the British Columbia College of Teachers for certification.

Coursework will have either an elementary or secondary focus with supporting practicums.

The Faculty of Education Access Initiative is designed to give access to individuals who are members of groups in our society and have historically been under-represented in the teaching profession in B.C. In order to achieve this objective we encourage applicants who have confronted identifiable barriers to post-secondary education to apply under the Access Initiative. All applicants for the VIU Teacher Education Program must submit a Personal Profile. Applicants who wish to apply under the Access Initiative may identify themselves on the Personal Profile form and must submit an Access Initiative Information Form to be considered under the Access Initiative.

Notes on Certification

- Applicants are advised that all applicants for teacher certification in B.C. must authorize the College of Teachers to conduct a criminal record review check.
- To ensure that student teachers in the VIU Teacher Education Program are suited to work in schools, VIU can require all student teachers be screened to the satisfaction of the school districts.
- Applicants to the VIU Teacher Education Degree program who have been convicted of a criminal offense or given an absolute or conditional discharge must consult with, and be deemed eligible for certification by, the B.C. College of Teachers prior to making application to the program. Applicants are strongly advised to keep all records of correspondence with the BC College of Teachers in case it is necessary to demonstrate compliance.
