

Business & Management Programs

Post-Degree Diploma in Business Studies

VIU's Post-Degree Diploma in Business Studies provides students who already possess an undergraduate degree with an opportunity to study business and management. Students may select Concentrations in Financial Services, Human Resource Management, International Business, Management/Leadership, Marketing, or following a consultation with the PDDB Advisor take a variety of courses that suit their interests.

The program also offers an avenue for students who wish to pursue graduate studies and need to develop a stronger academic background.

Admission Requirements

- Applicants must have a business or non-business degree from a recognized institution.
- Normally, individual course prerequisites will be enforced; however, some prerequisites may be waived given a student's academic or professional background.
- International students, see also International Students Admission.

Fees

Tuition fees for this program are calculated using Fee Category V. Students are also assessed a Students' Union fee and a Student Activity fee. Full-time students at Nanaimo campus are assessed a Health & Dental Plan fee. To see how fees are calculated, [clickhere](#).

Graduation Requirements

The Diploma will be awarded upon successful completion of 30 credits (10 courses) of selected VIU Business courses with a minimum "C" average; 15 of 30 credits must be from courses at the 300-level or above.

Transferring students must complete a minimum 50% of the 30 required credits at VIU. Students who wish to transfer out of the program to other institutions will be able to do so on a course-by-course basis.

Academic Advising

International students must consult with an International Student Academic Advisor. Domestic students must consult with the PDDB Advisor Alan Chapelle at Alan.Chapelle@viu.ca. Further information for International Students may be found at viu.ca/management/pdd
