Bachelor of Science - Transfer

MATHEMATICS

The Program

Vancouver Island University offers the first two years of a four-year B.Sc. in Mathematics. Students can transfer to a B.C. university after either the first or second year. The programs for transfer to the University of British Columbia (UBC), Simon Fraser University (SFU), and the University of Victoria (UVic) are given below. For further information, students should contact the VIU Mathematics department or the Advising Centre.

VIU also offers a Bachelor of Science, Minor in Mathematics, and a Bachelor of Arts, Minor in Mathematics.
