Bachelor of Science, Majors, Minors and Transfer

Mathematics

A Minor is offered

Program Fees: Domestic Students, International Students

Note: VIU also offers a Bachelor of Arts, Minor in Mathematics

General Description

The Minor in Mathematics offers a wide variety of mathematics and statistics courses for students in degree programs such as science, engineering, commerce, education and the humanities. The Minor in Mathematics combines with Minors or Majors in Biology, Chemistry, Earth Sciences, and Computer Science.

Requirements for a Minor

Students must fulfill all Institutional B.Sc. Degree Requirements, including Degree English Requirements and courses listed below.

Years 1 and 2: Successful completion of MATH 100 and 101, or the equivalent trio of MATH 121, 122 and MATH 110; MATH 123, MATH 200, MATH 211, MATH 241 plus one of MATH 223 or MATH 251

Years 3 and 4: Successful completion of 18 credits (6 courses) of Mathematics courses numbered 300 or above. **Note:** Check individual course prerequisites.

Note: Students may not obtain credit for MATH 151 or 152 as part of a B.Sc. degree.
