

## Trades & Applied Technology Programs

# Applied Business Technology - Online

- **Online Certificate Program (30 credits)**
- **Program Fees: Domestic Students, International Students**
- **Apply for Admission: Forms and Information**

## The Program

The part-time or full-time Applied Business Technology - Online program takes a minimum of 3 terms (15 months) to complete and offers the following specialities:

- Accounting Assistant Specialty
- Administrative Assistant Specialty
- Legal Administrative Assistant
- Medical Office Assistant

## General Description

This program is available online for those who are unable to attend day classes or who prefer to study at home. The program is designed to help students acquire the knowledge and skills for entry-level office positions, upgrade existing technology skills, attain goals of entering the workplace, and earn a certificate. Program highlights include:

- Flexible, personalized scheduling
- Continuous intake September to June
- Full- or part-time studies
- Provincially recognized curriculum with online learner support
- A free, "try-it-out" prerequisite course to see if online learning is for you

**Note 1:** To receive a Vancouver Island University certificate, students must successfully complete a minimum of 30% of courses offered through Vancouver Island University and maintain a min. "C" grade average in both Levels I and II of the program.

**Note 2:** The ABT online courses are part of the *BC Campus* initiative, a system-wide project for the development of online courses and programs in British Columbia. It involves multiple post-secondary institutions in a collaborative effort to share curricula, support services and administrative services.

**Note 3:** It is recommended that students take 18 to 24 months to complete the online program.

**Note 4:** To enter online programs, students must have a working knowledge of current Windows software, the Internet, and e-mail.

**Note 5:** Students must have computer and Internet access, as well as the appropriate computer systems requirements and the correct software versions required in each course. Contact [abtonline@viu.ca](mailto:abtonline@viu.ca) or [www.bccampus.ca](http://www.bccampus.ca) for details.

## Employment Opportunities

This program prepares graduates for work in private industries, government offices, accounting departments of both large and small businesses, and office support positions in a wide variety of firms.

## Admission Requirements

- Grade 12 or equivalent, or mature student status.
- Min. "C" in English 12, or equivalent.
- Min. "C" in Math 10, or equivalent.

### *Notes on Admission*

- Applicants without English 12 and Math 10 will be considered for admission if they successfully complete reading comprehension, sentence skills, and arithmetic assessment. Phone 250-740-6149 to book an assessment.
- It is recommended that students have some computer knowledge, including the ability to access the Internet, load software programs, send email attachments, etc.
- Students who can achieve a touch keyboarding speed of 25 net words per minute on a five-minute timing with five or fewer errors may be exempted from taking ABTO 101T. Phone 250-740-6149 to book a keyboarding assessment.
- Students with previous experience may be exempt from some components of the program after Prior Learning Assessment. For information on PLA, please contact the Advising Centre 250-740-6410, or the ABT program 250-740-6149.
- This is a demanding program, and applicants with the minimum admission requirements may experience difficulties in completing the program.
- Each online course is instructor-led. Students are expected to meet deadlines for course assignments and to actively participate in their courses with their instructor and fellow students.

## Start Date and Application Deadline

For start and end dates of online courses, check [www.bccampus.ca](http://www.bccampus.ca), or e-mail [abtonline@viu.ca](mailto:abtonline@viu.ca). Students may apply between September and June.

## Accounting Assistant Specialty

### Program Outline
