

Health Programs

Practical Nursing

- **12-Month Certificate Program**
- **Offered at the Nanaimo, and Cowichan campuses**
- **Program Fees: Domestic Students, International Students**
- **Apply for Admission: Forms and Information**

Note: The Practical Nursing program is currently being revised. The September 2011 intake is full, the November 2011 intake is cancelled, and applicants for the next intake, September 2012, will be assessed with the new program prerequisites. Applications are no longer being accepted for the September 2011 intake.

The Program

This program provides students with the theory and skills required to practice as a Practical Nurse in acute care, extended care, intermediate care and community settings. The program consists of three semesters, three practicums, and one preceptorship. Students must successfully complete all courses in each semester before progressing to subsequent semesters and the final preceptorship.

On recommendation of the program faculty, graduates of the Practical Nursing program may write the Practical Nurse Registration examination to become a Licensed Practical Nurse.

Career Opportunities

Graduates of the program can seek employment in a variety of health care settings, intermediate care facilities, extended care units, residential settings, acute care hospitals, and community agencies.

Admission Requirements

- General admission requirements apply.
- Biology 12 (Human Biology) with a minimum "C" grade, or equivalent.
- Successful completion of English and Math assessment.

Recommendations for Admission

- Recent course in writing skills.
- Volunteer experience in health care setting.
- Influenza immunization may be required by some clinical agencies. These are available in late Fall at no cost to students.
- This program is not currently available to international students.

Notes on Admission

- A criminal record check will be required by facilities and agencies.
- All prerequisites must be completed and returned to the Registration Centre before applicants are placed on a waitlist.

- Completed Immunization Requirements Form is required for the first day of classes. Applicants must provide evidence of a negative tuberculin test, taken no more than six months prior to the date of application, or evidence of an appropriate follow-up if tuberculin test is positive.
- An interview may be required.
- C.P.R. level "C" certificate (presumed to include 1 person, 2 persons, infant CPR and choking victim) is required for the **first day** of classes.
- Proof of W.H.M.I.S. training is required for the **first day** of classes. *Note:* An online W.H.M.I.S course can be taken through the Vancouver Island University Powell River Campus.
- Proof of Nonviolent Crisis Intervention training or approved equivalent is required prior to first practicum.
- This program is not currently available to international students.

Start Date and Application Deadline

At the Nanaimo campus the 12-month program starts in September. At the Cowichan campus the program starts in August. For further information regarding available intake dates and program contacts check the Program Availability List for the Nanaimo and Cowichan campuses.

Note: The Practical Nursing program is currently being revised. The September 2011 intake is full, the November 2011 intake is cancelled, and applicants for the next intake, September 2012, will be assessed with the new program prerequisites.
