Bachelor of Education

- **Years 3 - 5**
- **Program Fees: Domestic Students, International Students**
- **Apply for Admission: Forms and Information**

The Program

During their third year students take a combination of courses in the Arts, Science and Education Faculties. During fourth and fifth year students take only Education courses. The program has a thoroughly articulated grounding in the Principles of Teaching and Learning and extended practica to prepare graduates to be well-qualified beginning teachers. Graduates will be recommended to the British Columbia College of Teachers for certification at the professional level.

Admission Requirements--Year 3

Students apply to enter the Education program at the third year level. Prior to entry students must complete a combination of required and elective courses. The program will be of interest to undergraduate students who have completed 60 credits of course work, however, students with 48 credits are encouraged to apply.

- Completion of the minimum requirements listed in the Prerequisites for Year 3 (see table below).
- Applicants who have completed 60 credits will have GPA calculated on the last 60 credits completed. A minimum GPA of 2.33 ("C+") is required. Those who are considered for admission with less than 60 credits (48 or more), will have GPA calculated on total credits completed.
- Submission of a satisfactory Personal Profile form.
- Admission rankings are determined by a combination of GPA and Personal Profile scores.

Note: Review the Student Admission Information Checklist for important information.

Prerequisites for Year 3	Credits
Approved Science course	3
Approved Canadian studies course	3
Approved Mathematics course	3
Degree English Requirements	6
Other approved coursework	45
Total Credits	60

Please note the following:

- Students admitted to the program with less than 45 credits of other approved coursework will be required to make up deficiencies prior to starting Year 4.
- Please consult with a Faculty of Education Advisor to identify acceptable Science, Canadian studies, and Mathematics courses and for advice regarding other coursework. Call (250) 753-3245 local 6223 or toll-free at 1-888-921-2221 local 6223.
- EDUC 101, 201, 202, and additional Mathematics and Science courses strongly recommended.

Notes on Admissions

- Fieldwork and/or practicums will require a satisfactory criminal record check prior to placement. Criminal Record Checks are requested through VIU and processed through the Ministry according to the Criminal Records Review Act. A check completed through the RCMP is not sufficient to meet the requirements of the Act.
- Contact the Faculty of Education Advising office for details about the program. Call (250) 753-3245 local 6223 or toll-free at 1-888-920-2221 local 6223.
- To meet the needs of the teaching profession it may be necessary to give preference to applicants with discipline specialties in high need areas such as mathematics, languages, physical sciences, First Nations, and special education.

Start Date and Application Deadline

The program starts in September and applications will be accepted starting November 15. For further information regarding application deadlines and program contacts check the Program Availability List.

The following documents are due by:

- **Due February 17, 2012:**
 - Application form
- **Due February 24, 2012:**
 - Personal Profile form.
 - Transcripts must be submitted from each post-secondary institution attended, excluding VIU. Photocopies/faxed copies of transcripts are not acceptable.
 - For students who have not completed prerequisite courses interim-transcripts must be submitted, excluding VIU. Photocopies/faxed copies of transcripts are not acceptable.
- **Due May 31, 2012:**
 - Final transcripts of completed prerequisite courses must be submitted, excluding VIU. Photocopies/faxed copies of transcripts are not acceptable.
 - All admission requirements must be complete by **May 31, 2012**, which includes the submission of final transcripts for all coursework.

Personal Profile

Applicants who have applied to the Bachelor of Education program and received an acknowledgement letter will be able to access the Personal Profile form through their online student record. Personal Profiles can be edited and revised any time up to the **February 24th deadline for submission**.

Notes on Certification

- Applicants are advised that all applicants for teacher certification in B.C. must authorize the College of Teachers to conduct a criminal record review check.
- To ensure that student teachers in the VIU Teacher Education program are suited to work in

schools, VIU can require all student teachers be screened to the satisfaction of the school districts.

- Applicants to the VIU Teacher Education Degree program who have been convicted of a criminal offense or given an absolute or conditional discharge must consult with, and be deemed eligible for certification by, the B.C. College of Teachers prior to making application to the program. Applicants are strongly advised to keep all records of correspondence with the BC College of Teachers in case it is necessary to demonstrate compliance.
- Applicants who are otherwise eligible for British Columbia College of Teachers Certification but who are not Canadian citizens are required to provide evidence of landed immigrant status or hold a valid work authorization to teach in Canada, before they may be issued a British Columbia teaching credential.

Access Initiative

The Faculty of Education Access Initiative is designed to give access to individuals who are members of groups in our society that have historically been under-represented in the teaching profession in B.C. In order to achieve this objective, we encourage applicants who have confronted identifiable barriers to post-secondary education to apply under the Access Initiative. Applicants who wish to apply under the Access Initiative may identify themselves on the Personal Profile form and must submit an Access Initiative Information Form to be considered under the Access Initiative.

Program Outline

Years 1 & 2	Credits
Prerequisites for Year 3	60
Total Credits	60
