

Business & Management Programs

Wine Business

- **Certificate Program: 1 year full-time or 2 year part-time**
- **Program Fees: Domestic Students, International Students**
- **Apply for Admission**

VIU also offers diplomas in Business Administration, Hospitality Management, Tourism Studies and bachelor degrees in Business Administration, Hospitality Management, and Tourism Management.

The Program

The purpose of the program is to provide recognition for students who complete a series of courses related to the wine industry, the process of wine making, wine appreciation (product knowledge), wine marketing, wine tourism and other knowledge related to the business of wine. The certificate will help graduates find employment in some aspect of the wine business, which could be a vineyard, a winery, a wholesaler, a retailer, a food service establishment or a special event planner. Although this is a stand-alone certificate, the courses may also be taken as credit courses toward a degree or diploma.

The certificate may also be taken concurrently with a diploma or degree.

Career Opportunities

Developing a wine program at VIU is part of our vision to provide students credentials for entry into those careers influenced by the wine industry including (not limited to):

- Winery/Vineyard Management
- Retail Sales
- Wine Marketing Representative
- Restaurateur
- Hotelier
- Culinary
- Agri-tourism development
- Special Events

Admission Requirements

- General admission requirements apply.
- Legal drinking age in the province of British Columbia.

Notes on Admission

- Principles of Mathematics 11 or Applications of Mathematics 11 with a "C" is recommended. Students without Mathematics 11 should consult the program coordinator.
- Preference will be given to candidates already enrolled in the Faculty of Management degree

or diploma program.

- Students who meet or exceed the minimum admission requirements may not necessarily be admitted to the program if space is not available.

Start Date and Application Deadline

The program starts in September and applications are accepted between October 3 and March 31. For further information regarding late applications and program contacts check the Program Availability List.
