Students in a Child Welfare Specialization will complete their fourth year field education in a delegated child protection office. Placement preference will be determined by an applicant's GPA in SOCW 362, SOCW 403, and SOCW 421. Should a tie occur, seats will be allocated for these applicants based on their overall GPA in all Year 3 and Year 4 SOCW courses. Interested students must apply for the specialized field education placement by June 1 prior to entry into their fourth year of the BSW program and anticipate meeting all

prerequisite requirements for SOCW 480. Applicants are also required to meet all criteria for Field Education placements located in the Student Field Education Guide.
