Arts, Humanities and Social Sciences Programs

Psychology Honours (BA)

Location Offered:

Nanaimo

Credential:

Bachelor Degree

Program Length:

4 Years

The Program

Psychology is the scientific study of mind and behaviour. The goal of the program is to cultivate a broad and multidisciplinary perspective on human behaviour spanning levels of analysis from the molecular and cellular to broad external factors, including the social and natural environment, as well as growth in general intellectual skills including communication, numeracy, critical thinking, and learning ability. The program prepares students well for graduate studies in psychology, professional programs in health-related disciplines such as medicine, dentistry, occupational therapy, etc., and a wide range of potential careers that benefit from an improved understanding of human behaviour (e.g., human services, counseling, banking, retail, law, business, education, management, etc).

Program Outline

Students must fulfill all the Institutional degree requirements as outlined in the Calendar, including Degree English Requirements and courses listed below.

Year 1:

A minimum combined 2.33 ("C+") average grade in both of PSYC 111 and PSYC 112.

Year 2:

A minimum grade point average of 2.5 and no grade lower than 2.0 ("C") in each of the following: PSYC 204, PSYC 205, PSYC 210.
