

Personal Profile Questionnaire:

The Personal Profile is an important part of your application. Personal Profiles will be evaluated by a team consisting of faculty members. The name of the individual applicant will not be available to the Personal Profile evaluation team.

Do not include any data in your responses which could serve to identify you to the evaluators.

Start a new page for each question.

1. What do you know about the profession of dental hygiene, and why did you choose to apply?
(300 word maximum)
2. What are some of the concerns or challenges you have about working as a dental hygienist? (300 word maximum)
3. What characteristics and behaviours can be expected of you as a student in a professional program?
(300 word maximum)
4. Describe how your work activities, volunteer work, community service, and hobbies have prepared you for a career in dental hygiene?
(300 word maximum)

Personal Profile response must be submitted in a typed format no later than March 31, 2018.
