

Elementary Teaching Prerequisites (Kindergarten to Grade 7)

This sheet outlines approved VIU courses that will satisfy BC Teacher Certification Branch (TCB) requirements for academic preparation for teaching at the ELEMENTARY level. Credential/course review is available via **an appointment** with a Faculty of Education Advisor. To schedule an appointment, please telephone the office.

Initial Teacher Education Program Specific Notes

Year 1 Bachelor of Education (B.Ed.):

Applicants apply upon high school completion and must complete the requirements listed below during the *pre-professional* years of the program. B.A. or B.Sc. minors can also be pursued during this 5 year program.

Year 3 Bachelor of Education (B.Ed.):

Applicants do not need to complete all requirements listed below prior to application, however, progression into the *professional* years of the program (year 4 & 5) requires completion of all requirements.

Post Baccalaureate (PB) Elementary:

Applicants must have completed ALL the requirements below prior to beginning the program AND have a degree from a recognized post-secondary institution acceptable in content to the Faculty of Education and BC Teacher Regulation Branch. Applicants may also meet [Secondary teachable](#) requirements.

Post Baccalaureate (PB) Secondary:

Applicants need to complete the English requirement only AND have a degree from a recognized post-secondary institution acceptable in content to the Faculty of Education and BC Teacher Regulation Branch supporting the [Secondary teachable](#) requirements. However, as teacher certification in BC is ‘unrestricted’ applicants are strongly encourage to complete all the Elementary requirements outlined below.
